On Monday October 2nd, the Susanville City Route will be serviced every half hour during peak hours starting at 10:30am.

On Saturday, October 7th, Lassen Rural Bus will be providing a temporary special route between Hobo Camp and the Railroad Depot for the Bizz Johnson Marathon between 10:30am and 12:30pm.

HOW

Passengers will receive a daily city wide or daily system wide pass (depending on where they want to travel that day) when they board the bus for the first time on that day. Any following trip on that same day, passengers only need to show their daily pass. There is no limit on the number of trips on the same day.

Dial-A-Ride passengers *must* be approved *before* booking a trip. As usual, Dial-A-Ride trips must be reserved at least 24-hours in advance by calling Lassen Rural Bus at 530-252-7433. Please leave a voice message with your name, pickup and drop off location, if you call in on the weekend or cannot reach somebody in person.

WHY

The free fare day project is funded by the Low Carbon Transit Operations Program. Encouraging the community to use other modes of transportation, lessening the amount of cars on the road. Free fare day provides the community the opportunity to explore our beautiful county and perhaps take your bike up to Westwood and ride the Bizz Johnson back into town. So, get on the bus and enjoy a free fare day!
